

Young Adult Worship Band Leader

Goal(s): Create an engaging worship experience for the Young Adult environment by leading the worship band and working with the Young Adult team to plan the worship experience.

Supported By: James Fewell, Director of Young Adults (james.fewell@vintagechurch.org)

Time Commitment: Wednesday nights, 5:30pm-9:00pm

Responsibilities:

- Be a mature follower of Jesus.
- Train other potential leaders to do your job better than you do it.
- Run the rehearsal and make sure all musicians know the music and are prepared for Tuesday
- Work with the Director of Worship to schedule musicians and select appropriate songs for Tuesday evenings.
- Manage the band during sound check and make sure they are focused and respectful of the audio director's needs and requests.
- Know all songs and lyrics well enough to not have to think about what you are singing or playing. In other words, have all the music memorized to perfection.
- Become familiar with all the instrument parts to insure the other musicians are playing exactly what they are supposed to and in turn know their part and have the ability to play it.
- Help load band equipment and run mic/instrument lines during the set-up process and then reverse the process during the teardown.
- Come with your own equipment as well as back-up cables, strings, and instruments in case of an emergency.
